NOF to Sponsor Vaccines & Immunotherapies Online Symposium on 26 Sept 2024

NOF CORPORATION is pleased to announce its sponsor and participation in the upcoming **Vaccines & Immunotherapies Online Symposium** on **26th September 2024**.

Symposium Website: <https://oxfordglobal.com/biologics/events/vaccines-immunotherapies-online-symposium>

In the symposium, NOF CORPORATION will showcase its latest technologies and products for Drug Delivery System, which include:

- SS-cleavable and pH-responsive lipids for nucleic acids/gene delivery and vaccines
- Novel lipids and cationic lipids for LNP formulation

In addition, a presentation (recorded) by a NOF CORPORATION scientist will be given at 15:20 BST.

【Title】

Biodegradable Lipid Nanoparticles for Gene Therapy and Vaccines

【Time】

15:20 BST

【Bullet points of presentation】

- Overview of our biodegradable ionizable lipids (COATSOME®SS-OP and COATSOME®SS-EC)
- Highlighting safety profile and gene therapy/vaccine applications of our proprietary ionizable lipids
- A lyophilized LNP with room temperature stability that overcomes the cold-chain handling limitations.

If you are interested in our technology, please contact our regional offices below to learn more and to arrange a meeting.
